

William David Myette

This page is a simple memorial to the life and love of a friend and brother to the families at Deliverance Center and beyond, Brother Will.

Born William David Myette, October 9, 1956 and completed his journey on June 8, 2023.

First Impression

In 1982, Will first came and gave his heart to Jesus in a tent meeting. The next day he came to help with the Gospel tent and Stephen Reynolds, Sr. asked him who are you?

"I am the man that came and prayed last night."

"There was such a drastic change in his countenance, I didn't recognize him", Stephen Reynolds, Sr.

Other Impressions

- He was always compassionate and good for asking how I and my family were doing.
- He would turn any conversation in an opportunity to praise God.
- in 1997 Bro. Will went on a missions trip to Haiti.

- Bro. Will painted many of our homes, bedrooms, living rooms and church rooms.
- Brother Will loved the Lord and valued the souls of men.
- Brother Will was never to shy to even ask perfect strangers, "May I pray for you?"
