"Roll Away the Stone"

Text: John 11:

Teach Us! Lord. When facing the trial, stop a second and get past the natural reasoning to seek an escape and pray that God would be glorified.

There must be a progression in our life

Why would Jesus wait?

Let us seek on every decision to be led of God. We have got to learn to be led of the Spirit.

Get up and begin to learn to walk like like a little child does. So that we may be a people that can administer life in a moment of need.
